

PUBLICATION

1. M. B. Patel, AlokNath and J. M. Mayani .Evaluation of physical and mechanical properties of fresh Potatoes. International Journal of Chemical Studies, Vol 6(5) : 1454-1459(2018)
2. M. B. Patel, AlokNath and J.M. Mayani.A study on physical properties of pomegranate (*punicagranatum* L., *punicaceae*) fruits. International Journal of Chemical Studies, Vol 6(5) : 1460-1463(2018)
3. M. B. Patel , N. R. Patel, G. S. Patel and H.N. Leua. Effect of harvesting stage and methods of drying on quality fennel seed (*Foeniculumvulgare* L.). International Journal of Seed Spices, Vol 8(2) : 42-47(2018)
4. J. M. Mayani, Gaurav D Patel, ShivaniModi, Zalak K. Bhatt, Raghvendra H. R. and M. B. Patel. Effect of different packaging material on dehydrated fenugreek (*Trigonellafoenumgraecum* L.)leaves, International Journal of Chemical Studies, 6(5) : 233-235(2018) A. Mohite, M. B. Patel, and N. Sharma.Performance evaluation of indigenous cryogenic grinder. Journal of Nutritional Ecology and Food Research, Vol. 4 : 1-5(2017)
5. K. Alam Khan and M. B. Patel. Evaluation of physico-chemical and microbiological parameters of carrot stored under modified atmospheric packaging. SAARC Journal of Agriculture, Vol. 8 (2) : 29-38(2010)
6. Nath, A., Khan, M.K., Beera, V., Kumar, M., Kumar, V. Physical properties of Carrot (*Daucuscarota*) Cubes. Environment & Ecology, 29(4A): 2136-239, 2011.
7. Nath, A., Sharma, P. D., Beera, V., Mandal, P. Development of dehydrated cauliflower (*Brassica oleracea*) in a solar cabinet dryer. Environment & Ecology, 30 (3A): 709—712, July—September 2012.
8. Singh, V.K., Panday, S., Singh, R. B and Nath, A. Effect of process variables and quality characteristics of spray dried Ber (*Ziziphus jujube* L.) juice. Environment & Ecology, 30 (3B): 951-955, July-September 2012.
9. Mandal, P., Nath, A. Study on Processing & Storage stability of anola (*Embllicaofficinalis*) Squash. Food & Beverage World, Vol.40. No.4: 40-41. 2013.
10. Kumar, A., Nath, A., Sharma, P. Development of Process Technology for Preparation of Yam (*Amorphophallus* spp.) Slices. Environment & Ecology 32 (2A): 646—650, April—June 2014.
