Press Note

OMR based examination system was implemented in the University for Different Competitive Exams by CAICT, SDAU, SKnagar. From April 2015 to July 2015, total 22 exams were conducted by OMR System by CAICT. On 4/9/2015 one training was organized for the teachers of different colleges for the operation of 'OMR' software for their respective faculty. Total 22 teachers were present from 8 colleges. Mr. Ramsingh Rajput, IT Expert was given detail explanation on the application level operation, theoretical and practical on required software module. He also explained about the required precautions for operating and steps should be taken into consideration to take care for the same. All teachers were involved in the operation and also in the Verification of result obtained from OMR Software. Mr. Chintan Proposed vote of thanks.
